Re: *In the Matter of Policy and Rules Concerning the Interstate, Interexchange Marketplace*, CC Docket No. 96-61

Dear Ms. Dortch:

Due to an administrative oversight on my part, the rate integration certifications that I filed yesterday failed to include an additional officer certification regarding AT&T's compliance with the geographic rate averaging and rate integration requirements of section 254(g) of the Telecommunications Act of 1996 and 47 C.F.R. § 64.1801 of the Commission's rules. With this letter, I respectfully request that you accept this filing in lieu of the filing that I made yesterday.

Should you have any questions regarding the above or the attached, please feel free to contact me directly.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Tan".
